Education pack: Design Verification Report

EDU-5 | Blaide product line | 17 November 2026 | Design only: nothing built or tested

What has been checked without hardware, by calculation, simulation or software test.

Results

- Queue: 30 jobs of 16 to 41 minutes on 5 printers finish in 181 minutes against a best possible 180

The red line is the finding: a full class of full-size jobs does not fit one double lesson.

Not verified

Everything in the test plan (document 04) needs hardware.
